WARM WELCOME TO MIKE

With the recent departure of Charli to pastures new, the Rural Team would like to introduce an extremely able member, PCSO 7309 Mike Sinnick. Many of you may have already met Mike as he is the area lead on the ever increasing initiative – Community Speed Watch. Mike’s background in the Camera Safety Partnership (Dorset Road Safe as it is now) gives him valuable knowledge and experience in assessing sites and establishing new schemes. Mike is also no stranger to Home Watch having taken ownership of the Town scheme previously. He is also a qualified PCSO tutor and has helped to train several members of the Town team. After 4 years in town, he has decided a change of scenery would be new challenge with different skills to learn. He is an extremely popular member of staff here and he can’t wait to get out and meet as many of you possible over the coming months, so please say hello when he is in the area.

POSITIVE DRUGS ARREST – MILBORNE

2 males were arrested and charged with Possession of a Class B drug whilst visiting Milborne St Andrew. The males were found to have a number of items on them that officers believed were the subject of various offences including the drugs themselves. Both were issued with a Penalty Notice for the offences. This is once again, a fantastic result and shows our continued efforts in detecting and disrupting the movement and supply of controlled substances within our town and surrounding villages.
