APOLOGIES

Firstly, may we offer our apologies for not being able to produce a newsletter for September. Owing to the slightly later timetable of this year's Great Dorset Steam Fair, followed by some serious Information Technology issues when we resumed our usual duties, we were unable to complete the document in a timely fashion. Please find below the combined crime stats prudent to Home Watch for the months of BOTH August and September.

STEAM FAIR SUCCESS

This year's Great Dorset Steam Fair was another successfully policed event. There were a total of 9 reported crimes from within the site of varying types. In the immediate area around the site, there were no reported crimes at the time of our annual reassurance operation. We would like to thank all members of the communities for their extra vigilance and patience around this potentially stressful time.
