SPRING TIME – SECURE YOUR BELONGINGS

As the better weather (possibly!) might be here and now the clocks have changed, people will be out in the garden and sheds using their lovely equipment and tools. We typically see an increase in opportunistic crimes of this type where property is stolen. Please do not leave your belongings and valuables unattended for any length of time and be extra vigilant for suspicious people and vehicles. Take

all the necessary measures to protect yourself and your property NOW. Shed alarms, alarmed padlocks and other useful bits of kit are available through your local NPT and in some cases, Home Watch Co-ordinators. Anyone wanting a Free Home Security Survey can have one by contacting us on the numbers or emails provided in this newsletter and arranging one. THANKS
